1. Support me

Do you have a minute?

What are you doing _____

Can you cancel it?

I'm super excited and need your support.

I just started working on a project to feed hungry kids here in the United States by paying bills we already pay.

I have a very successful friend who is pioneering this project. He/she will be at my home _____

I'm not asking for donations,. All I'm asking you to do is show up and listen to support me.

Can I count on you to be here and support me. Thank you!!!

2. Additional income:

Do you have a minute?

What are you doing_____

Can you cancel it?

I'm super excited and need your support.

I have a friend who is very successful that and is working on a new business project. I just started working with him/her. The project does 3 things:

1) It feeds hungry kids in the United States

2) It helps people lower their monthly bills

3) It allows people who want to get involved, to make additional money to help promote the project

Personally, I got involved to feed hungry kids, and to_____

I don't have any idea if you will be interested or not but I'm super excited and need your support.

I'm not asking for donations. All I'm asking you to do is show up and listen to support me. That's it.

Can I count on you to be here and support me? Thank you!!!

3. Business Opportunity

Do you have a minute?

Do you every look at ways of making extra money?

What are you doing _____

Can you cancel it?

I have a friend who is very successful that and is working on a new business project. I just started working with him/her. The project does 3 things:

1) It feeds hungry kids in the United States

2) It helps people lower their monthly bills

3) It allows people who want to get involved, to make additional money to help the project grow.

Personally, I got involved to feed hungry kids, and to_____

I don't have any idea if you will be interested or not but I know your looking to _____, and this might be the way to do it.

I'm super excited and need your support.

All I'm asking you to do is show up and listen to support me. That's it.

Can I count on you to be here and support me? Thank you!!!

Questions:

What type of business/What does he do/What would are you doing/How does this work/What is the name of the company/Is this one of those things?

They found a way to feed hungry kids every time people pay their Energy, TV, and Cell phone bills. If you could pay your bills the same way you do now and feed hungry kids as well would that be a good thing? I'm not an expert yet and don't want to give you any incorrect information. That's why we are meeting _____ on _____. Can I count on you to be here to support me?

How long will this take?

Less than an hour. Can I count on you to be here to support me?

Is there a website?

You cannot meet him/her or find out if he/she will want to work with you online. That's why we are getting together. Can I count on you to be here to support me?

I'm busy/cant make it/I'm not sure.

•☒Whatever you are doing cancel it. I really need your support.

OR

What if meeting ___ was exactly what you where looking for to ___ (their why) but you didn't take 45 min to meet him/her. Wouldn't that be a tragedy? Trust me you need to be here.

Confirmation call- 24 hours before home meeting:

Hi _____,

Just called to let you know I look forward to seeing you tomorrow at_____.

I told _____ (the successful leader of this project) about you and your willingness to support me and _____ is excited to meet you. He/She asked if you could show up 10 minutes early so he/she could chat with you personally.

If they try to flake:

You told me you would be here to support me so I told _____ you would be here. If you don't show up I'm going to stupid in front of _____. I am really excited to be working with_____ so I really need you to show up and support me. Can I count on you to be here? Thank you!
